16 ASTRONAUTS HEAD ADVENTURE ROUNDUP

1963 ADVENTURE ROUNDUP PLANS OUTLINED

The Adventure Roundup, a campaign designed to give more boys the experience of Scouting, moves into full swing this month.

Hundreds of Scout units, Cub packs and Explorer posts have already indicated their interest by agreeing to increase their memberships by 7 or more boys before December 31.

Dessert Kickoff To Launch Together Plan

The Together Plan, with an objective of organizing 209 new units, will be launched at McCormick Place on October 2, at a dessert meeting starting at 7:29 p.m.

"The idea of meeting for dessert," according to **Robert M. Buddington**, chairman, "is to bring together the largest number of prospective unit sponsors and organizers at the least possible expense to the individual and to allow as much time as possible for planning the actual organization of their units."

The theme for the Together Plan, "A Boy Can't Be a Scout Without a Troop," points up the need for the organization of many new Scout units. **Mr. Buddington** pointed out that this was especially important in light of the mammoth Adventure Roundup.

Sea Explorer Conclave

Sea Explorer leaders of the Chicago Area Council have an unusual opportunity to spend a full day and evening with **Commander Tom Keane**, founder and early pioneer of the Sea Exploring program.

The Conclave will be held at Northwestern University on October 19, starting at 9:00 a.m. with an informal coffee hour.

Sea Explorers are invited for dinner (at \$1.50 per) or for just the 7:30 p.m. section of the meeting. Following dinner, **Cmdr. Keane** will address the leaders, Sea Explorers and parents.

Reservations must be made in advance, \$3.50 for leaders, covering lunch.

"New Troop First-Nighter" Program Slated

The Council Training Committee is inaugurating a new program at the Valley View Training Center to aid new troops in their first camping experience. Under ideal conditions and using the patrol method with proper equipment and expert help, the program features skills necessary to conduct a quality troop camping program.

According to **Joseph C. Sibley, Jr.**, Chairman of the Training Committee, "During its organization, a new unit will select a date for its 'First-Nighter' program and make actual reservations for the entire troop to spend the weekend at Valley View participating in a program under the direction of the training committee."

All the equipment necessary, including all the necessary food, will be provided at a cost of \$2.50 per person for the weekend.

Campmaster Plan To Aid Units

The Executive Board of the Chicago Area Council recently approved the launching of a Campmaster Corps Plan designed to assist units camping at **Camps Kiwanis, Harrison, Fort Dearborn and Yorkville**. Purpose of the Corps is to assist unit leaders in planning quality camp programs including preparation for rank advancements through various demonstrations by members of the Campmaster Corps.

The plan will also help units emphasize the patrol method and help them develop camp "good turn" projects.

The Campmaster Corps at each camp would consist of a Campmaster, member of the executive staff, the resident camp director and/or camp ranger, program specialists and a program director.

A variety of optional activities, including campfire programs, will be offered to units camping on a short term basis. Material and equipment will be made available to those units utilizing Campmaster Corps personnel.

Council Annual Dinner

It is not too early to plan to have a good representation from your unit at the Council's Annual Meeting and Scouters' Recognition Dinner. The date—January 25, 1964, the place—McCormick Place. There will be a special attraction for the ladies on Saturday afternoon. **Judge Alfred J. Cilella** is chairman of the Dinner Committee.

DeButts to Chair '64 Drive

John D. De Butts, President of Illinois Bell Telephone Company, has accepted the chairmanship of the 1964 finance drive of the Chicago Area Council. **Mr. De Butts**, an

John D. De Butts

Eagle Scout and a long time Scouter, has been active in many civic, fraternal and church organizations, including the Red Cross, the Community Chest and the Crusade of Mercy. **De Butts** is also a member of the Council's Executive Board.

According to **Major General Lloyd R. Moses**, Roundup Chairman, "Again this year **Astronaut John Glenn** is personally assisting us in our membership campaign on radio, television and posters. He has arranged for us to give a photograph of America's 16 astronauts to every boy who expresses an interest in Scouting."

"A boy who writes requesting information about joining will have his name and address forwarded to a district assignment center which will forward the information to the Scout unit nearest the boy's home so that a Scout may deliver the astronaut photo and invite the boy to attend their next unit meeting."

Camp Promotion Kits Available

October 9 has been designated as the 1964 summer camp promotion kickoff date in the Chicago Area Council. Highlighting the special program to be held at the Valley View Training Center, 6240 South County Line Road, Hinsdale, Ill., 7:30 p.m., will be the premier of the new 1964 camp filmstrip as well as additional material designed to assist the Scoutmaster in planning for his summer camp experience.

Explorer Rendezvous Oct. 11-13

The Second Explorer Rendezvous will be held at the Merriam Explorer Base, Wautoma, Wisconsin, on October 11-12-13. Explorers may check in on Friday, October 11, or early Saturday morning.

Explorer units will provide their own camping and cooking gear.

The cost for the weekend is \$1.50 per person which includes a barbecue. Registrations will be accepted until 5:00 p.m. on October 4, at the Scout Service Center. **James Mess**, Burr Oak District Cabinet Adviser, is chairman of the Rendezvous.

LET'S TAKE A CLOSER LOOK AT THE 1963 POW WOW

HERE THEY ARE—the final details—so that when you and the other leaders from your pack arrive, you will be fully prepared.

PARKING—It's free!—and there's plenty of it in the school lot and on the street. Bring a carload of Cubbers!

UNIFORM—Den Mother uniforms will be in vogue and Cub leaders in field service uniforms will also be properly dressed. Pack committeemen and other interested Scouters will feel at home in casual clothes.

PRIZES FOR EVERYONE—Thousands of prizes will be given away!—including a very valuable door prize. We are going to give away nearly everything, including the table decorations!

REGISTER NOW!—Use the form on this page.

NATIONAL SUPPLY SERVICE will again operate a Trading Post well stocked with Cub literature and program material for your convenience.

WONDERING what to bring besides yourself? Well, every pack should bring an exhibit. Here's an opportunity for you to display the achievements of Cub Scouts and to get ideas from other packs. Select a theme from the 1963-64 Cub Leaders' Program Notebook or just dream up your own.

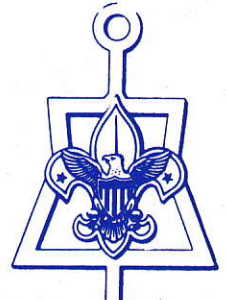

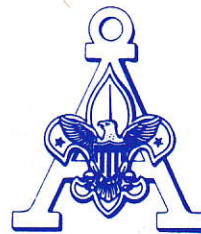

A WORD OF CAUTION—Bring only a few items—don't overcrowd your display. Let's emphasize boy made items again this year. You will want to be sure to include a sign showing your pack number and your institution.

REMEMBER—This year you register as an individual, not as a pack. Each Den Mother, Cubmaster or committeeman sends his or her own registration to the council office. A registration form is needed for each individual attending.

WHAT DOES A POW WOW DO?

Most adult leaders in Cubbing feel a need for guidance in the program. The Pow-Wow will have sections on craft, games, ceremonies, pack administration and the Webelos Den. Each adult attending the Pow-wow will participate in which ever section can best help him or her in his own cubbing responsibilities. Each section is an action section. Whether it be learning and playing new games, making craft items or putting on ceremonies, the adult leader will actually learn by doing.

In addition there will be exhibits from various packs showing their accomplishments in the many fields and themes of Cubbing so that adults from other packs can get ideas to use in their own Cub pack program.

Along the Scouting Trail

By ALDEN G. BARBER

It's Fall Roundup time again!

Do you cringe a little at the thought of starting again—of rounding up the boys for the first meeting of the fall?

Or is this a time of planning and anticipation—of expectancy? Do you look forward to meeting with the gang again—if you even stopped for the summer—and arranging the invitations to the crop of new boys needed to bring the unit up to full strength.

If this is how you feel about Scouting and the Fall Roundup, then I hope my boy gets an invitation to your troop. It has to be a live wire outfit if the leader anticipates tomorrow—and plans for it.

Operation Patrick Henry

The Fifth Annual Operation Patrick Henry will be held November 30 and December 7 in the Field Building, 135 South LaSalle Street. Each unit should hold its own 'Patrick Henry' contest and the boy best qualified becomes the unit's representative.

Send the entrant's name, age and address to "Patrick Henry" Committee, Chicago Area Council, 9 West Washington Street, Chicago, Illinois 60602.

Area "C" Aide Named

Richard B. Frans, former Assistant Scout Executive in Kansas City, Kansas, has been appointed Field Director of Area C, replacing Charles Greenman who, on September 1, became Scout Executive in Munsie, Indiana. Mr. Frans, a graduate of Northwest Missouri College, has served Scouting professionally in many capacities since 1950 in both Kansas City, Kansas, and St. Joseph, Missouri.

WTTW-TV To Air Den Mother Series

A special "Den Mothers' Workshop" will be presented at 9:30 p.m. starting Tuesday, October 1, and running each Tuesday night through November 5, on Channel 11. This special half hour training experience will feature Mrs. Lois Brooks, well-known Chicago actress, as host Den Mother, and Mr. Al Binford, veteran television personality, as host.
